Some Principles of Literary Criticism by Caleb Thomas

Literary Theory and Schools of Criticism Introduction A very basic way of thinking about literary theory is that these ideas act as different lenses critics use to view and talk about art, literature, and even culture. These different lenses allow critics to consider works of art based on certain assumptions within that school of theory.

Literary Theory and Schools of Criticism Introduction

Other articles where Principles of Literary Criticism is discussed: I.A. Richards: â€”pioneer work on semantics; and Principles of Literary Criticism (1924) and Practical Criticism (1929), companion volumes that he used to develop his critical method.

Introduction to Hayden White, University of California at

Ecocriticism is . . . œ. . . the study of the relationship between literature and the physical environment. Just as feminist criticism examines language and literature from a gender-conscious perspective, and Marxist criticism brings an awareness of modes of production and economic class to its reading of texts, ecocriticism takes an earth-centered approach to literary studies• (Glotfelty ...
