A teacher recommendation letter provides a written character reference of a teacher by another individual. This is common for a teacher is seeking employment and uses the letter to their advantage. It is highly advised to have the letter be written by the principal at the teacher's previous school or, for those with no experience, to have the letter completed by a former professor.

Alternative teacher certification is a process by which a person is awarded a teaching license even though that person has not completed a traditional teacher certification program. In the US, traditional teacher

certification is earned through completing a bachelor's or master's degree in education, taking standardized tests (usually a Praxis test), and fulfilling additional state requirements.

Young children are like sponges. Every day they learn skills that will help them become readers. Infants, toddlers, and preschoolers become aware of books and print and learn about sounds and letters. Preschool educators play a critical role in promoting literacy, preventing reading difficulties, and preparing young children for kindergarten.
