I created this little two-pager to help reach all of the students in my classroom. Geometry can be tough to master because it requires a LOT of memorization. My goal was not to see how much they could memorize for a classroom activity, homework assignment, or assessment, but rather to see how they...

Homework Guidelines: English teachers tell their students explicitly how to format their papers: what fonts, what page margins, what style guides, etc. Math teachers, on the other hand, frequently just complain amongst themselves in the faculty lounge about how messy their students' work is. Meanwhile, their students wonder why they've lost points on homework and tests.
